****DETAILING OPTIONS****

ALLOY SEALANT PROTECTION - All Vehicles - From £20.00 per wheel

Our "Alloy Sealant Protection" detailing process will be applied and worked on in 3 stages, removing any debris attached to it over time while protecting them from any contaminants that usually grip on the alloys.

AUTO GLYM HD WAX ENHANCEMENT - £48.00

Our "HD-Wax Enhancement" is aimed to give your car a mirror reflecting finish, making water and rain run off the bodywork giving it a "beading" effect while protecting your car's paintwork, this will also prevent it from getting affected as much by weather conditions.

Please see attached leaflet for details.

A-GLAZE PROTECTION SEALANT (Also Includes Full Valet) - £360.00

We are also the only valet company in the north east of Scotland who are able to offer you **A-GLAZE** surface protection sealant for your vehicle. This service consists of, your car being fully valeted prior to hand application and removal of the A-glaze polish!!!!. You also receive a 5 year guarantee with this service and a certificate with all your car details.

Subject to viewing vehicle. Please see attached leaflet for details.

ENGINE TREATMENT - All Vehicles - From £30.00

Our "Engine Treatment" will restore the look of your engine bay, removing all dirt and dust attached to it, treating plastic and rubber components leaving them shining and reviving their colour.

PAINT REPAIR – CLAY BAR DETAILING

Our "Clay Bar Application" detailing process is used to safely remove any contaminants that have managed to penetrate the surface of your paintwork and grip to it making it almost impossible to remove in a normal wash. This will give your paintwork a very smooth and clean finish.

Price subject to viewing vehicle.

POWER POLISH PAINT CORRECTION - From £360.00

The "Paintwork Correction" detail addition will remove light to medium scratches, swirl marks and holograms, this process is machine and hand applied in 3 stages.

Subject to viewing vehicle.

ALL THE ABOVE PRICES ARE INCLUSIVE OF VAT

THE ABOVE CHARGES ARE SUBJECT TO VIEWING THE VEHICLE AT THE TIME OF VALET
